YOUR WORKSHOP TOPICS INCLUDE:

WHAT IF TODAY WAS THEIR ONLY DAY?

In this motivational keynote Lisa shares the powerful story of her first day at school. Through active and engaging storytelling and in the style she has become famous for, Lisa shares observations, lessons and anecdotes about how early childhood has changed along the way. Lisa will share the sights, sounds and smells of the place where, at the young age of three, she decided to become a teacher and identifies the how, and why, that one day solidified her decision to become an educator. This inspiring keynote gets participants back in touch with their personal how and why. It gets them excited and gets them thinking: *If it WAS their only day, what will they remember?*

CREATIVE ART WITH YOUNG CHILDREN *Art is not a receipt for childcare!*

In this workshop Lisa will defend a very strong process oriented art position. After a discussion about what "process not product" means, participants will have time to create with various media in order to reinforce the importance of open-ended creative experiences instead of "cookie cutter" projects.

IDENTIFYING & CREATING CHILD CENTERED ENVIRONMENTS

This workshop provides an in-depth exploration of the 9 points within the framework of Lisa Murphy's approach to working with children. Via interactive lecture, true-to-life examples, anecdotes and her signature "learning and laughing" style, this workshop presents what it really means to be a hands on play-based, child centered program.

LISA'S WORKSHOPS ARE PERFECT FOR EARLY CHILDHOOD EDUCATORS, TEACHERS, CHILDCARE PROVIDERS AND PARENTS.
