Full Day with two sessions being presented

Inclusive Education:

Who, What, Where, When, Why?

This session will deconstruct what inclusive education means in today's classrooms and communities. We will also discuss common misunderstandings and myths and leave with ideas and possibilities of inclusive learning communities and all who benefit.

Getting to know children from a strength based perspective.

This session will look at how education models are moving away from deficit medical based frameworks to those that look at the strengths and contributions of individuals.

ECRTNO Members

A block of spaces are allocated for ECRTNO members. Please register early, these spaces are limited.
Deadline September 7, 2018
