

## **ECRTNO & OAICD 2013 JOINT CONFERENCE BUILDING RESILIENCE: IN COMMUNITY, CHILDREN, FAMILIES & PROFESSIONALS**

---

The Early Childhood Resource Teacher Network of Ontario & The Ontario Association for Infant and Child Development are excited to announce that they will come together to deliver a joint conference on October 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup>, 2013.

The conference theme of **Building Resilience: In Community, Children, Families & Professionals** is planned to provide current research and information to inform the practice of early intervention professionals working with children who are at risk or experiencing developmental challenges, including mental health issues, in both the home and childcare settings. The conference is also an opportunity for all to network and exchange ideas with others.

We hope to bring you a dynamic conference that will focus on the abilities of communities, families and children to face challenges, adapt, and continue to grow and learn.

Please stay tuned as we provide further information in the weeks and months to come.

Best Regards

Joint Conference Committee
